

# The taxonomy of some European graminicolous rusts

## Taxonomie některých travních rzí

Zdeněk Urban\*)

On the ground of the revision of Czechoslovak graminicolous rust-fungi the author came to the conclusion that it is necessary to re-establish the species concept or to make some nomenclatural changes as follow: *Puccinia bromina* Eriks. var. *bromina*, *P. bromina* var. *paucipora* Urban, *P. coronata* Corda var. *coronata*, *P. coronata* var. *intermedia* Urban, *P. graminis* Pers. subsp. *graminis*, *P. graminis* var. *graminis*, *P. graminis* var. *stakmanii* Guyot, Massenot & Saccas ex Urban, *P. graminis* subsp. *graminicola* Urban, *P. magelhaenica* Peyritsch in Magnus, *P. perplexans* Plow. in Phill. & Plow. var. *perplexans*, *P. perplexans* var. *tritricina* (Eriks.) Urban, *P. recondita* Rob. ex Desm.
