

The Czech Collection of Microorganisms
invites you to the

**36th Annual Meeting of the
European Culture Collections' Organisation**

Brno, Czech Republic, September 13–15, 2017

DEAR COLLEAGUES

We would like to cordially invite you to attend the ECCO 2017 meeting. This event aims to be an international forum for scientists dealing with maintenance, distribution and investigation of microorganisms. It provides a platform for open discussions, knowledge sharing and interactive sessions with field experts.

Topics include (but are not limited to):

- Culture deposition and Nagoya protocol (collection policy, patent strains)
- Preservation of bacteria and fungi
- Taxonomy of microorganisms
- Clinical microbiology and identification
- Chemotaxonomy
- Biotechnology

For more information, please visit the meeting's web page:
<http://ecco2017.sci.muni.cz/>

We encourage you to forward information about this meeting to your research group and your colleagues.

We hope you will join us at the upcoming ECCO meeting in Brno!
