

Subject: ECCO 2017 meeting

Dear Colleague,

We would like to inform you about the 36th European Culture Collections' Organisation meeting (ECCO 2017), which will be held in Brno (Czech Republic) during 13-15 September, 2017. On the behalf of the Organising Committee, we would like to invite you as a representative participant at this meeting. ECCO 2017 aims to be an international forum for scientists dealing with maintenance, distribution and investigation of microorganisms. It provides a platform for open discussions, knowledge sharing and interactive sessions with field experts.

Topics include (but are not limited to):

- Culture deposition and Nagoya protocol (Collection policy, patent strains)
- Preservation of bacteria and fungi
- Taxonomy of microorganisms
- Clinical microbiology and identification
- Chemotaxonomy
- Biotechnology

For more information, please visit the meeting web page:
